Protect your investment and maximize machine uptime.

Get peace of mind with a complimentary Volvo Care Inspection now through December 15.

Unexpected downtime for machine repairs costs your operation time and money. To help ensure that your equipment maintains performance and reliability, we are offering a limited-time promotion for model year 2020 and older Volvo machines that aren't currently covered by a Volvo Service Contract or Extended Coverage.

Get a complimentary Care Inspection.

Schedule a free Volvo Care Inspection* conducted by our trained Volvo service technicians. This hands-on evaluation is designed to detect any issues throughout the body of your machine before they result in costly downtime. After the inspection, you get reports that help you work with our team to determine which actions are critical and which ones can wait.

Get additional savings.

If your inspection reveals necessary repairs or maintenance, you get:

A **20% retail discount** on all Genuine Volvo Parts identified during the checkup as needed repairs or maintenance (services completed by Nors Technician), with a minimum \$500 parts spend.

An **additional 5% discount** if you sign up for a Volvo Service Contract. The contract must be for a minimum period of one year and cover preventive maintenance or a combination of repair and maintenance.

Contact your local Nors dealer to schedule your free Volvo Care Inspection.
